PASSO 4

Após o cadastro efetuado, copiar essa chave de Hardware e ir ao site <http://license.ihivision.de/changeHardware.htm>

Em seguida definir a opção de tipo de licença e inserir a chave gerada na máquina específica

The screenshot shows the Hirschmann web interface for license management. At the top left is the Hirschmann logo with the text "HIRSCHMANN A BELDEN BRAND". Below the logo is a navigation bar with four tabs: "Hardware key" (selected), "Personal data", "Additional data", and "Your license". The main content area contains the following fields and options:

- Action:** A dropdown menu set to "Create free of charge 16 node license". Below it is a note: "Permanent Full License. Cannot be combined with other licenses. The license will be sent to the provided email address. It will not be displayed on screen."
- Company: *** A text input field containing "Baumier". Below it is a note: "This text will be registered as License Holder to the license."
- Hardware key: *** A text input field containing "HARDWARE KEY". Below it is a note: "The Hardware Key of the PC."
- Two checkboxes for optional services:
 - I would like to keep my software up to date. Please send me information about the Industrial HiVision Annual Maintenance Plan.
 - I agree to receive email communications from Hirschmann regarding network management products, including new software versions, product details and announcements, newsletters and promotions.
- A blue button labeled "» Next" at the bottom left.

PASSO 5

Clicar em “Next”,
próxima janela
verificar cadastro de
sua conta e
confirmar e-mail

The screenshot shows a registration form with four tabs: 'Hardware key', 'Personal data', 'Additional data', and 'Your license'. The 'Personal data' tab is active. The form contains the following fields:

- Salutation:
- First name:
- Last name:
- Company:
- Street:
- Zip code: *
- City:
- E-mail: *
- The license will be sent to this email address.
- Country: *

At the bottom of the form, there are two buttons: '» Back' and '» Next'.

PASSO 6

Próximo passo é especificar a versão do seu sistema operacional e envio de autenticação:

HIRSCHMANN
A BELDEN BRAND

Hardware key | Personal data | **Additional data** | Your license

Operating system: Windows 10

OS version: Window

Amount of devices: more than 500

Additional features:

- SCADA / Process Visualization (OPC read-only)
- SCADA / Process Visualization (OPC read/write)
- SCADA / Process Visualization (ActiveX)
- Alarming via SMS

» Back » Next

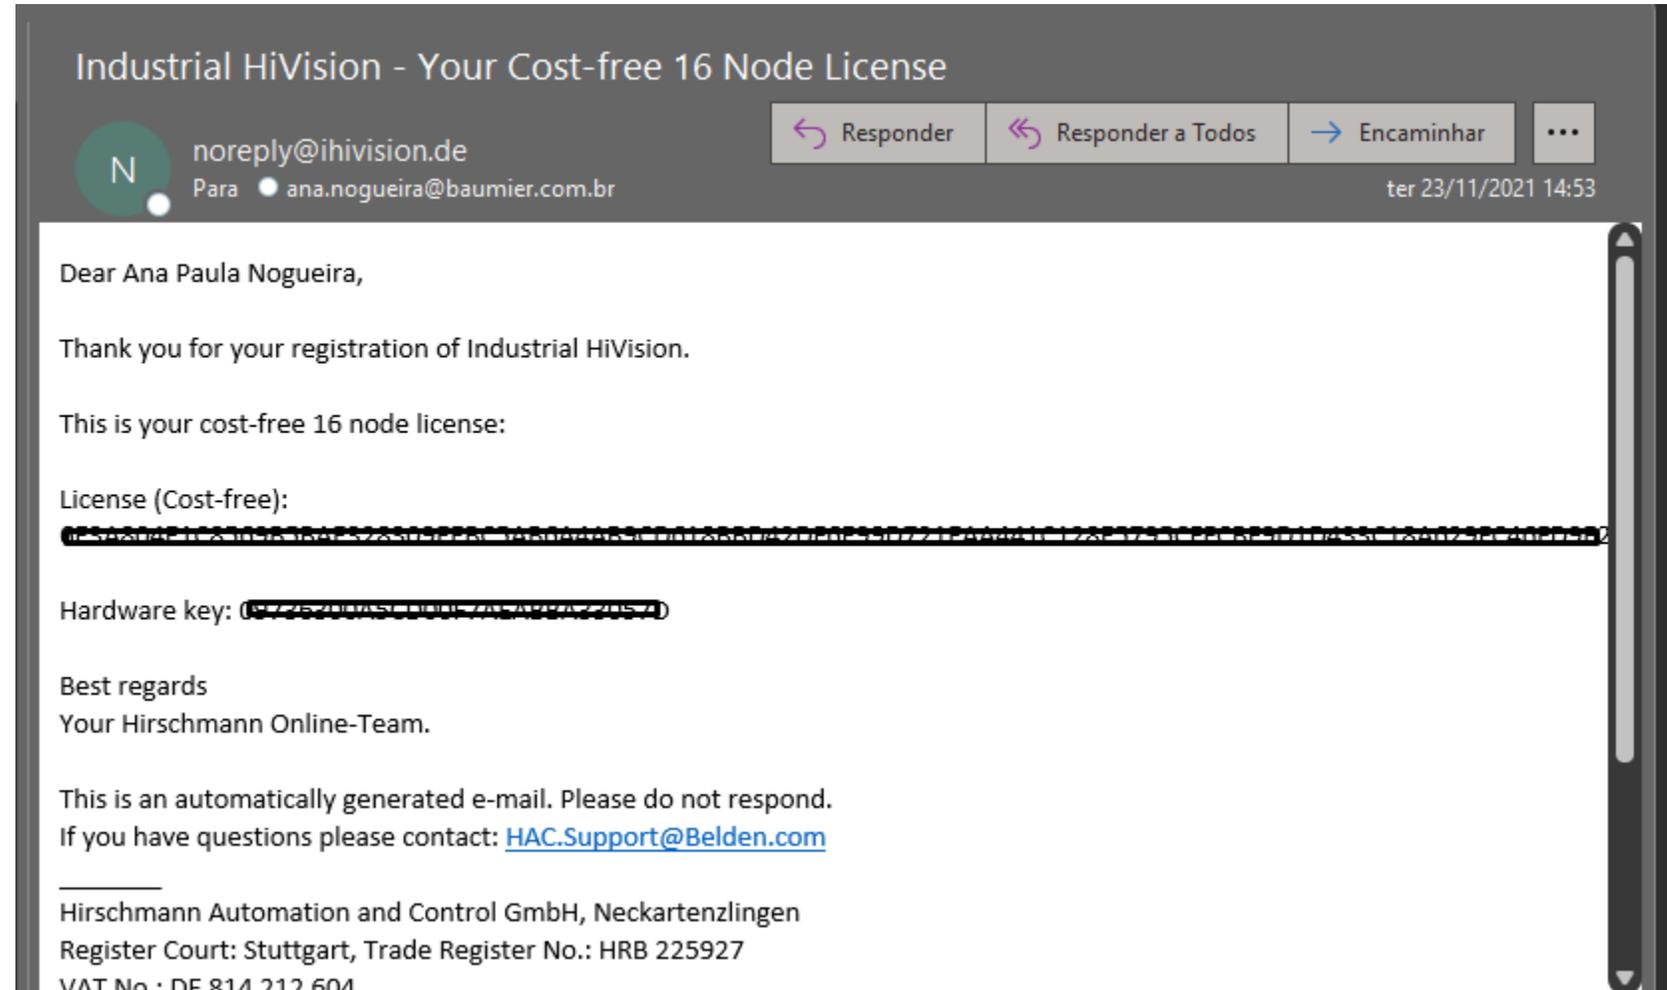

PASSO 7

As informações da
licença serão enviadas
para o e-mail cadastrado

The screenshot shows the Hirschmann software license generation interface. At the top left is the Hirschmann logo, a stylized 'h' in a circle, followed by the text 'HIRSCHMANN' and 'A BELDEN BRAND' below it. Below the logo is a horizontal navigation bar with four tabs: 'Hardware key', 'Personal data', 'Additional data', and 'Your license'. The 'Your license' tab is currently selected and highlighted. Below the navigation bar, the text 'Your licenses' is displayed. Underneath, a message box contains the text: 'An e-mail containing your license codes was sent to the address you entered previously.' At the bottom of the interface, there are two buttons: '» Generate more licenses' and '» Finalize'.

PASSO 8

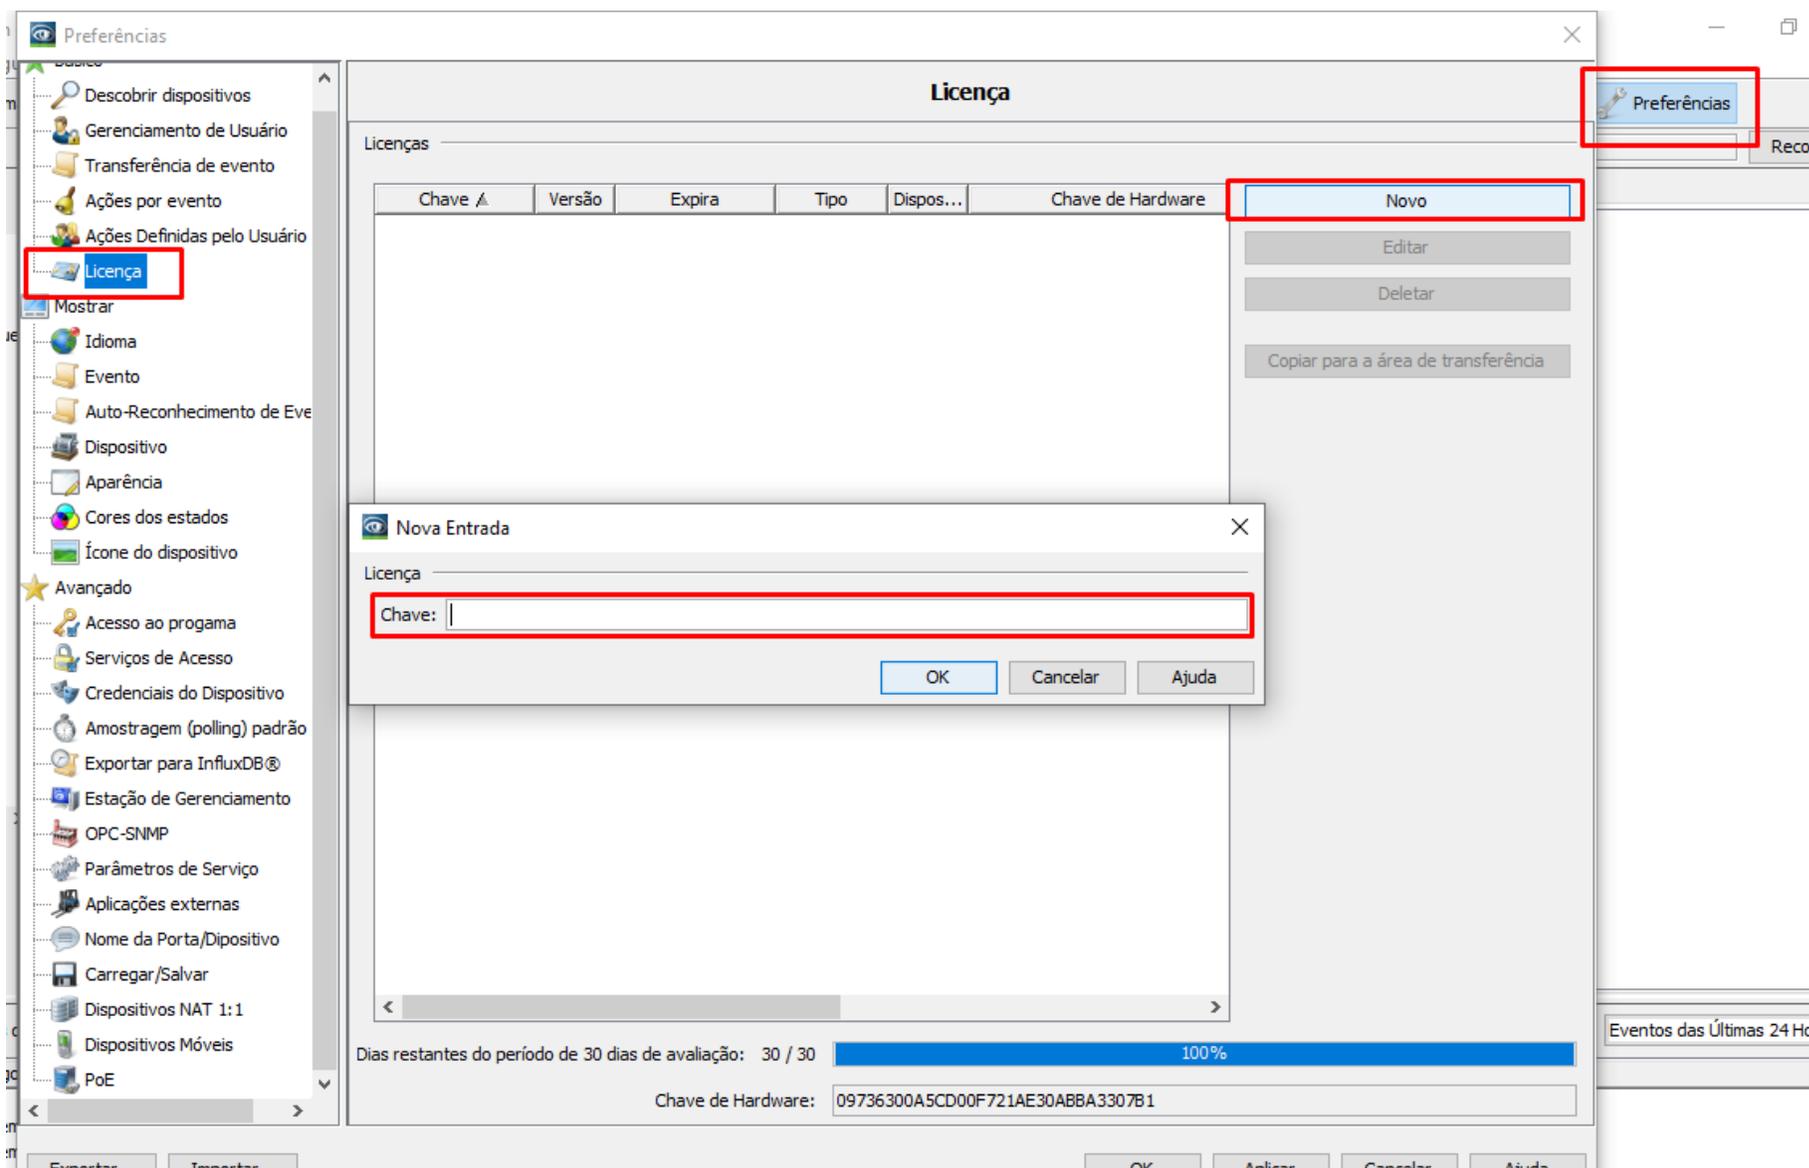

No e-mail, você receberá o código da licença vinculada a sua chave de hardware.

PASSO 9

Dentro do Industrial Hivision, vá em Preferências > Licença > Novo > e cole o código da sua licença recebido por e-mail.

Sua licença free de 16 nós já estará disponível para uso!
